

Wildfire Mitigation & Abatement Services

SDVOSB Certified

ISA Rocky Mountain Chapter Member

CORE COMPETENCIES

- Defensible space creation and maintenance (Zones 0-3, CSFS standards)
- Hazardous fuel reduction and forest thinning
- Tree removal, pruning, and hazard tree mitigation
- Wildland-urban interface (WUI) vegetation management
- Utility corridor vegetation management
- Home hardening assessments and recommendations
- HB 1182 insurance documentation packages (before/after photography, property mapping, inspection reports)
- Community Wildfire Protection Plan (CWPP) implementation
- Good Neighbor Authority (GNA) project execution
- Post-fire remediation and restoration
- Large-scale mechanical fuel reduction (forestry mulching, mastication)

DIFFERENTIATORS

- **SDVOSB Joint Venture:** Partnered with an established commercial landscaping operation providing equipment fleet, crew capacity, bonding, and operational depth.
- **HB 1182 Compliance:** Every project includes professional documentation formatted for Colorado insurers. Dated photography, property maps, scope of work, and inspection reports.
- **ISA Certified Operations:** Led by ISA Certified Arborists through the Rocky Mountain Chapter (CO, NM, MT, WY).
- **Four-State Coverage:** Colorado (direct operations), New Mexico, Montana, and Wyoming (sub-contractor partnerships). USFS Regions 1, 2, and 3.
- **Veteran Leadership:** Founded by a U.S. Army veteran with 20+ years of commercial leadership across healthcare, enterprise sales, and startup operations.

PAST PERFORMANCE

JV partner past performance includes commercial vegetation management, large-scale landscape installation and maintenance, equipment-intensive site work, and multi-crew project coordination across the Colorado Front Range. Specific contract references available upon request.
